REGARDING LIBRARY REFERENCE N2011-1-NP-LR4

(Issued January 6, 2012)

On December 23, 2011, the Commission issued a Notice of Filing of Library References to accompany its Advisory Opinion.¹ The Notice erroneously identified “PRC-N2011-1-NP-LR4 Demographic Map Analysis” as nonpublic. The library reference is based entirely upon public source information.

To correct this error, the Commission is revising the name of this library reference to “PRC-N2011-1-LR1 Demographic Map Analysis”. The library reference will be available on the Commission’s website. As a conforming change, all references in the Commission’s Advisory Opinion² to PRC-N2011-1-NP-LR4 are hereby changed to “PRC-N2011-1-LR1 Demographic Map Analysis.”
